

Lord, thank You for this table and everyone around it: the hands that cooked, the ones who drove a long way, and the ones who just walked in. Be our guest today. Amen.

● FOR THE TABLE

Happy Thanksgiving

Your prayer is on the other side

Father, we didn't get everything we asked for this year, but You stayed. Thank You for the hard months You carried us through and the good days we almost missed. Amen.

● FOR THIS YEAR

Happy Thanksgiving

Your prayer is on the other side

God, thank You for the food in front of us and the people who made it. Bless the cook, forgive the burnt rolls, and help us really listen to each other today. Amen.

● FOR THE COOKS

Happy Thanksgiving

Your prayer is on the other side

Jesus, some of us are missing someone at this table. Thank You for them. Hold the empty chair with us, and let today have room for both the laughing and the ache. Amen.

● FOR THE EMPTY CHAIR

● **FOR ORDINARY GIFTS**

Lord, thank You for the things we forget to count: a car that starts, a warm house, a friend who calls back. Help us notice them all year, not just today. Amen.

● **FOR THOSE WHO AREN'T HERE**

Father, bless the people who couldn't be here: the ones working today, the ones far from home, the ones spending it alone. Let them know they're remembered. Amen.

● **FOR GRATEFUL HEARTS**

God, You've been good to us in ways we noticed and ways we never will. Make us a grateful family, quick to share and slow to complain. Thank You. Amen.

● **FOR ANSWERED PRAYERS**

Lord, for every prayer You answered this year, thank You. For the ones we're still waiting on, help us keep trusting. Fill this house with peace, and these plates with enough to share. Amen.

A PRAYER TO CLOSE THE LIST

Lord, look at this list. Every line is something You gave us. Thank You for the big things and the small ones, and for every person at this table who wrote them down. Amen.

O give thanks unto the LORD, for he is good: for his mercy endureth for ever.

PSALM 107:1 KJV
